# **SITEWISE**

Hi Tonia Burns,

Congratulations on achieving SiteWise Green!

You achieved a score of 75% or more on your recent SiteWise assessment for Asphaltech Ltd which entitles you to SiteWise Green status for one year.

Your assessment score: 100

Achieving SiteWise Green (a grade of 75% or above on the annual assessment) means: You have demonstrated that you have quality health and safety systems in place. In addition to an electronic report, you'll receive an electronic certificate detailing your green grading for you to display in your business. You'll be listed as a green business and visible to all principals using SiteWise. You'll receive an electronic SiteWise green badge, to use on promotional material such as email signatures or tender documents.

We have attached your assessment report, a SiteWise Green logo and your electronic SiteWise green certificate for you to use to show your company's commitment to health and safety (green logo stickers are now available on request, please email the team [sitewise@sitesafe.org.nz](mailto:sitewise@sitesafe.org.nz) or call 021 717 586 to organise these).

If you have any questions regarding your assessment, please get in touch with us at [sitewise@sitesafe.org.nz](mailto:sitewise@sitesafe.org.nz). We're happy to help.

Kind regards,

The SiteWise Team
